CME Group Sets New Volume Record in Lean Hog Futures and Options

November 11, 2026

CHICAGO, Nov. 11, 2026 /PRNewswire/ -- CME Group, the world's leading derivatives marketplace, today announced that its Lean Hog futures and options reached a new daily volume record of 209,363 contracts on November 9, 2026, surpassing the previous record of 204,948 contracts traded on November 10, 2025.

"Steady supply and contracting demand have pushed Lean Hog prices to six-year lows, and market participants are turning to CME Group in record numbers to manage their risk," said John Ricci, Global Head of Agricultural Products at CME Group. "This price volatility is another example of why we remain focused on equipping clients with precise hedging tools to manage their risk in any market environment."

In addition, CME Group's Livestock options reached a new daily volume record for options on November 5, 2026, with 136,923 contracts.
